

International Mediation Centre set up to resolve disputes

Chambers of commerce and industry which connect foreign companies and Polish partners established a joint initiative – the International Mediation Center (MCM). The mission of MCM is to promote the highest standards of non-judicial resolutions for litigation in business. MCM is a non-judicial platform of resolving issues and it is available to all parties especially for members of chambers. Declaration of the establishment of the International Mediation Center was signed by: Belgian Business Chamber, British Polish Chamber of Commerce, French Chamber of Commerce and Industry, Italian Chamber of Commerce and Industry, and the Polish Spanish

Chamber of Industry. The project is also supported by the Ministry of Economy.
